for the rest of the billing period. You may be charged for any additional data used (\$0.01 per MB block), for a limited time before we discontinue your data access. If you'd like to continue using additional data (\$0.01 per MB block), call 13 14 64.

- **SMS Alerts:** We will send you SMS alerts to notify you when you've reached 50%, 85% and 100% of your monthly data allowance. There may be a delay of up to 48 hours with these SMS alerts.

Cancelling your plan

You're welcome to cancel your plan at any time with no cancellation fee. You'll just need to pay any outstanding charges and fees, including charges outside of your monthly allowances incurred up to the date your service was cancelled. And we'll credit you with a pro-rata refund of your plan's monthly fee for your last billing period, based on when you cancelled your plan.

Changing your plan

You can change to a different mobile plan at any time at no charge, once per billing period. If you decide to change your plan before the end of your billing period, you'll need to pay a pro-rata amount for your new plan for the rest of the billing period plus a month in advance. When you change plan, the data allowance of your new plan will apply, and any unused data allowance and Data Boosts will expire.

There may also be times when we have to make changes to your plan, like updating fees or inclusions. Rest assured; we'll only ever do this in line with our [Customer Terms](#).
